Artist Revenue Streams

A groundbreaking survey examining sources of income for US-based musicians and composers.

- Online from Sept 6–Oct 28, 2011 • Let your voice + story be heard
- Help us document the complex nature of being a musician in 21st century
- Learn how other musicians + composers are earning money

We need thousands of musicians and composers to take this survey, working in every genre of music in the USA, including songwriters, band members, jazz musicians, hip hop MCs, composers, touring musicians, orchestra members, session players, and anyone else making music.

Be entered to win an Apple iPad 2!

Take the online survey from Sept 6–Oct 28, 2011
at futureofmusic.org/ars.

How do you make Money from Music?

Let's find out together through the
Artist Revenue Streams research project.

- performance royalties
